1.1 Call to order

The President called the meeting to order at 4:31pm.

1.2 ARNBC Fees 2017

It was moved and seconded to approve fees of \$110.55 per registrant for the 2017 registration year, which represents a \$12.00 fee increase for ARNBC and includes the CNA fee.

CARRIED

It was the intention of the Board not to raise fees in 2017, however, due to the current legal challenges, the Board had no other choice but to raise membership fees in order to pay for legal costs while maintaining viable services to members.

2. Adjournment

The meeting adjourned at 5:30pm.
