

What is a Nurse?
Indira Margaret Fernandez

I do not care
what you do for a living
I will hold your hand
when you are in pain

I do not care
what you do for a living
I will listen
when there is no one to listen

I do not care
what you do for a living
I will be there
to comfort you
when there are tears in your eyes

I do not care
what you do for a living
I will help you walk
when it is difficult

I do not care
what you do for a living
I will care for you
when you are weak and unable to

I do not care
what you do for a living
I will advocate for you
when you are in need

I am a nurse
And that is what we do
