

Name of Chapter: Campbell River ARNBC

Region: Campbell River, Vancouver Island

Key Contacts: Melissa Aydon cr.arnbc@gmail.com

About Us: Campbell River began in late 2015 by BSN students from North Island College. Meetings take place monthly at North Island College Campbell River campus. We would love to develop a set date and time that would be beneficial to more nursing staff; as of now we typically hold the meeting from 1800-2000.
